AGENDA SECTION: CONSENT AGENDA	ORIGINATING DEPT: Public Works	ITEM NO. D-19
ITEM DESCRIPTION: Revocable Permit: Placement of Qwest utility cable within public property		PREPARED BY: M. Nigbur

Qwest Communications has requested the City issue a revocable permit to allow the placement of a buried utility cable within city property known as Homestead Park. This new cable will replace an existing cable that is not functioning properly due to the very wet conditions. The proposed encroachment would not interfere with the daily operation of the park.

Park and Public Works Staff have reviewed the request and would recommend in favor of granting a Revocable Permit. Qwest has executed a Revocable Permit which includes the standard language for revocation and liability protection for the City.

COUNCIL ACTION REQUESTED:

Authorize the Mayor and City Clerk to execute the revocable permit with Qwest Communication to allow the placement of utility cable within Homestead Park.
